Manufactured by our selected specialised EU approved plant, our cooked chicken range reflects a commitment to quality, innovation, and customer satisfaction. Drawing on extensive experience serving global markets, the company applies strict production controls and comprehensive quality assurance processes throughout every stage of manufacture.

The range includes eight versatile, cooked chicken products, including premium breaded options, designed to meet the demands of modern retail and foodservice sectors. Combining convenience, consistency, and excellent eating quality, these products provide customers with dependable poultry solutions backed by international expertise. The bags come standard with 11 languages on them, being EN, DK, SE, FR, PL, LT, LV, EE, SK, CZ and RO.
