Vestey Foods International

Vestey Foods International is a family-owned company with a proud heritage dating back to 1897. With over a century of experience in the global food industry, we bring a deep-rooted commitment to quality, integrity, and long-term partnerships.
As a professional and globally active supplier in the dairy sector, we specialize in sourcing a wide variety of high-quality dairy products directly from producers around the world.

Operating through offices in Europe, Asia, and the Americas, we deliver exceptional service and great-tasting products to both the retail and foodservice sectors.
Currently Vestey Foods International is operating in more than 100 countries worldwide.

Our family ownership shapes our values—Honesty, Unity, Integrity, and Agility—which are reflected in every aspect of our business. We aim to be more than just a supplier: we strive to be a flexible and dependable partner who supports our clients' growth through tailored solutions and consistent excellence.
